Dear Betty,

Thank you so much for volunteering at Habitat for Humanity Toronto. We are so grateful for your help as a House Leader and Crew Leader on the Women Build - we could not have done it without you! In addition, 156 female Crew Leaders successfully completed training at Habitat University and we have Assistant Instructors like you to thank for that.

Habitat for Humanity is a non-profit, worldwide, independent Christian housing program dedicated to the belief that decent, affordable housing is a basic human right and need. Our mission is to help eliminate poverty housing by building simple, decent, affordable homes in partnership with working, low-income families, volunteers and donors of funds and materials.

It is the generosity of people like you, who give your time, energy, and enthusiasm that makes Habitat a success and allows us to continue to provide families in need with affordable housing.

I will hope to see you on the build site again soon,

Arundel Gibson,
